

Duggee Valentine's Day Song

Created by StudioAKA for CBeeBies & BBC Studios

Search on YouTube for the original video

**There are many, many types of love,
from your family to your friends.
Doesn't matter who you choose to love,
because it's all love in the end.**

Make some heart shaped biscuits

Sing some partner songs with a friend,
e.g. *Row, row, row your boat*

Make a paper heart hug to give to someone you love!
