

How do we keep cool  
when we feel hot?

# Holiday

Let's all go on holiday,  
Somewhere near, or far away.  
Let's all hope the sun will shine,  
So we can play outside.

Have you been on  
holiday? How did  
you get there?

Make a cardboard car, plane or boat  
and go on 'holiday' with friends.

What do you need if  
it's sunny outside?
