

I'm a Little Lizard

By Nick Cope

Search YouTube for the original song video

I'm a little lizard,
Standing on a rock,
Standing on a rock
Because the sand is too hot.
The sand is too hot,
So I'm standing on a rock,
I'm a little lizard and I'm standing on a rock.

Colour or paint a lizard picture

Find out where lizards live

How do we keep cool when we feel hot?
