

The Power of Yet

Janelle Monae and Sesame Street

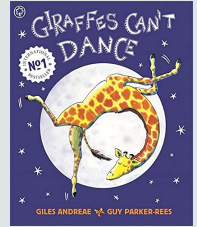

You didn't do it right now,
But keep trying you'll learn how.
You just didn't get it yet,
But you'll get it soon I bet...
That's the power of yet,
That's the power of yet.

That is what you get with the power of yet.

Make a group display of goals which you can't do... yet!

Pass a bean bag around your group and talk about a time when you kept trying and didn't give up.
