

Can you think of a team game you can play with your friends?

Maybe you can throw and catch a ball with a group of friends? Or can you think of something even better?

Team Sports

Tug of war, tug of war, pull with all our might.

Tug of war, tug of war, fingers holding tight.

Our teacher cheers us on...

Bean bag race, bean bag race, keep our concentration.

Bean bag race, bean bag race, Look! No hesitation.

Our teacher cheer us on...

Rounders team, rounders team, run from post to post.

Rounders team, rounders team, who can score the most?

Our teacher cheers us on...

Pass the ball, pass the ball. Roll and bounce and throw

Pass the ball, pass the ball. Fast as you can go.

Our teacher cheers us on...

Can you find something to balance on your head...maybe a book or an actual bean bag and see if how long you can balance it? Can you keep it on there while you are walking?
