

# Andy's A-Z of Summer

Andy Day, CBeebies

How do we keep cool  
when we feel hot?

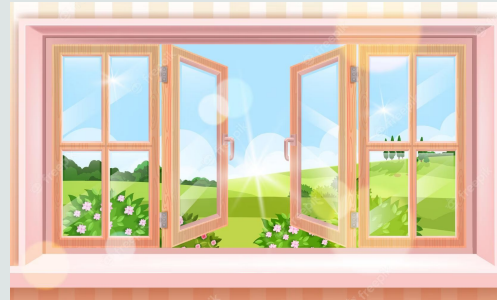

Jump, jump, jump a little higher.  
Sing, sing, sing a little louder.  
Fun, fun, fun in the sun.  
It's Summertime.

Can you make a sunshine  
with hand or foot prints?

Search YouTube for the  
original song video

What signs of Summer can you  
see out of your window?
