

# Elf on the Shelf

Original Song by Jo Downs for Southampton Music Hub

Draw a comic strip showing each day of the week from the song

There's an elf on my shelf  
and he's getting up to mischief.  
There's an elf on my shelf  
and he's trouble to the core.  
There's an elf on my shelf  
and he's getting up to mischief,  
There's an elf on my shelf  
and I can't take anymore.

Have you got a cheeky elf at home? Share some funny stories with your friends.

Make a paper plate elf on the shelf. What will their name be?
