

# Let's Take a Walk

By Nick Cope

Let's take a walk,  
A walk in the country.

We'll say 'hello' to the flowers and the trees,  
We'll say 'goo'day' to the cows in the meadow,  
So take a walk, take a walk,  
In the country with me.

Search YouTube  
for the original  
song video

Find out some  
more signs  
you could  
add. E.g. *flowers,*  
*trees, cows, butterflies,*  
*bees, horses, ducks, traffic.*

Draw a map of  
a walk you'd  
like to go on.  
Who will be  
going with you?
