

Proud To Be Lyrics

Created by pupils from school in Southampton and the Isle of Wight

Chorus

Proud to be, proud to be, everything that makes me me
Proud to be, proud to be, all that I aspire to be
Proud of the place I come from, Proud of the people I know
Those who came before me, and those who help me grow
Proud of the things I'm learning, proud of the strength in me
As I claim my story and my identity
Proud to be, proud to be, everything that make me, me
Proud to be, proud to be, all that I aspire to be

Verse 1

I'm proud of how I achieved my goals
Surrounded by love and support
Proud of how we play our sports
Cricket, football, give it our all

From a young age I was a brilliant baller,
Superstar sportsman I'm a serious scorer
proud of creating the best drawing ever
Me give up on my art, never!!

Proud of everything I learnt at school
Even though it wasn't always cool
I needed to keep pushing through
For all the things i would soon do

I want to finish school so i can sleep late
That's what you get when you graduate

I'm proud of doing well in maths
And yes i really like wearing hats

Bridge

Proud to be, proud to be, everything that makes me me
Proud to be, proud to be, all that I aspire to be

Verse 2

Proud of all my diverse friends
different religions, countries, ends.
Mom and Dad we are so proud of ya
You came all the way from Somalia

To a place of better opportunities
people who care, and a good community
All the way from the war they came
Through the oceans and rain, the mud and flames

proud to be a Sikh, helping others
Happiness is key, show bright colours
I'M...Proud to speak Arabic
I'm proud of the colour of my skin

I am glad I have a good place of learning,
A future so bright it's basically burning
Yes, basically burning
A future so bright it's basically burning

Chorus

Proud to be, proud to be, everything that makes me me
Proud to be, proud to be, all that I aspire to be
Proud of the place I come from, Proud of the people I know

Those who came before me, and those who help me grow
Proud of the things I'm learning, proud of the strength in me
As I claim my story and my identity
Proud to be, proud to be, everything that make me, me
Proud to be, proud to be, all that I aspire to be
