

Go for a walk and see how many different colour leaves can you find?

# September

Earth, Wind and Fire

Say do you remember,  
Dancing in September?  
Never was a cloudy day.

Do you know which season comes after Autumn?

Can you learn the signs to finger spell the rest of S-e-p-t-e-m-b-e-r?

The weather goes through a lot of changes in September. Try recording what the weather is like each day.
