There's An Elf On My Shelf

Jo Downs

Medium/slow funk

There's an Elf on my shelf and he's

get-ting up to mis-chief, there's an Elf on my shelf and he's

trou-ble to the core.___ There's an Elf on my shelf and he's

get-ting up to mis-chief, there's an Elf on my shelf and I

can't take a-ny-more.__ On MON-DAY he spilt flo-ur on the floor, on

TUES-DAY he hid all my socks, on WE'NS-DAY he put ket-chup on my door, on

THURS-DAY he filled my shoes with rocks, on FRI-DAY he put sprouts in my bed, on

SA-TUR-DAY he emp-tied the shed: on SUN-DAY, we had all had e-nough!

I can't wait til Christ-mas Eve when he goes back to the North Pole!__

It's been fun but it's time to go back home.

Pole! But I'll miss that Elf!___ I'll miss that

It's been fun but it's time to go back home.

Elf!_____ I'll miss that

It's been fun but it's time to go back home.

Elf!___ I'll miss that Elf!
