

Time for Change

Lyrics & Structure

The sung chorus for this song could be two groups of singers overlapping their vocals as is laid out below

Group 1	Group 2
Time for change	Using actions not words we know we gotta change the game
Time for change	Taking back control or our future will be just the same
Time for change	There's no limit to what we can do if we just re-frame
Time for change	Learn from mistakes and not repeat the past again
