

Wash Your Hands

(to the tune of If You're Happy and You Know It)

If you want to stop the virus wash your hands

If you want to stop the virus wash your hands

First with water then with soap, make your hands a slippery slope

If you want to stop the virus wash your hands

If you want to stop the virus stay apart

If you want to stop the virus stay apart

Even though you want to play remember stay two metres away

If you want to stop the virus stay apart

If you want to stop the virus catch your sneeze

If you want to stop the virus catch your sneeze

Grab a nice clean white tissue just before you a-a-choo!

If you want to stop the virus catch your sneeze
